

Pepperland caters to all levels of musical experience and complements many approaches to music. While campers enjoy playing in bands, private lessons, and jamming, the Pepperland staff teaches the fundamentals of playing and making music together.

Our staff are professional musicians with diverse music educations from schools such as Berklee College of Music and Atlanta Institute of Music.

Musical Experience:

We are dedicated to providing an experience for each camper which builds self esteem and communication skills while exploring and learning together.

Music is another way to communicate. Instructors begin by seeing what interests each child has. Experiencing an instrument first-hand enables a child to discover which instrument they connect with.

No previous musical experience is required! Beginners are welcome in our camp family. Together we explore and encourage creativity through instruments and vocals. Campers receive instruction in vocals, drums, guitar, bass, keyboard, and more. While we encourage campers to bring their own instruments, we will provide instruments to those who need them.

Camp ends with a performance by the kids for family and friends!

Camp Staff:

We call on the talents of many guest instructors and behind the scenes staff to provide a diverse and unique musical experience. In past years, camp has been honored to host musicians and teachers such as Donna Hopkins, Jeff Sipe, Diane Durrett, and Caroline Aiken.

Safety is of the utmost importance at Pepperland. Our staff include individuals who are certified in CPR and First Aid.

Accommodations:

Campers will stay in rustic-style cabins with bunk beds. Each cabin will have an assigned adult counselor looking out for the well being of the campers.

Meals and snacks will be provided each day.

Other activities include fishing, nature walks, circus arts, and improv games!
Music! Music! Music!
